

ORANGE ICE CREAM WITH CHIPOTLE

INGREDIENTS

- 1 gal of water
- 3kg of sugar
- 1L cup of orange juice
- 20ml of Natura Orange Concentrate 
- 400g of chipotle chili puree
- 5g of Deiman Citric Acid 
- 6g of CMC Deiman 

PREPARATION

- Mix citric acid, sugar and CMC until they are perfectly incorporated.
- Add the mixture to the water and mix, incorporating perfectly
- Mix the chipotle chili with the orange juice and add to the previous mixture (step 2). Add Natura Orange concentrate and mix the ingredients.
- Enter the mixture into the manufacturer to inject 30-50% air.
